Subject: End-of-term party

Dear English class,
Next month, we'll have our final English lesson of the term, so I'd like to organise a party for that day. What do you think of this idea?
We could either use the classroom or go to the park.
Which place would be better for the party?
Can you suggest any fun activities for practising English during the party?
Also, it would be great if everyone could bring something to the party - please let me know what you can bring.

Many thanks,
James Smith
